

### **Entrepreneurship Development (E.D) Club**

Entrepreneurship Development Club of the college set up by the Department of Industries & Commerce (DIC) aims at promoting entrepreneurial traits among students. Since its inception, the club has strived to build a culture of self independence through entrepreneurship by providing a platform for realizing business opportunities by arranging industrial visits, business awareness classes, practical sessions on skill development training, interaction with entrepreneurs etc. Over the years, the activities of the club have been coordinated by the faculty of the department. Several programmes were undertaken as part of the club during the academic year 2019-20.
