

Student Projects and Study Tour

Research Projects:

The Department has UGC Minor Research Projects and Research support funded by the University of Kerala. The Department has various KSCSTE Student Projects and receives funds through the DBT-STAR College scheme.

Study Tours:

The Department organizes field trips and study tours regularly for students. Students accompanied by the Faculty of the Department go for Marine specimen collection to Tuticorin, attend Residential Nature Camps in the forest (with authorization from Govt. of the Forest Department), and go on study tours to CMFRI, Kochi. The students are also taken to the Soil Research Lab, Trivandrum, and zoological parks such as the Mysore Zoo.
